

Therapy In Somerset – General Data Protection

It is important to me to protect your privacy and the data that you have entrusted to Therapy in Somerset.

On this page you can read about data I collect, why I collect it and how I use it to enhance your visit to my website.

This site is protected by an SSL certificate. This allows secure connections from a web server to a browser. You can check this by the presence of the padlock and the https address in the browser window.

This privacy policy is for all services on this site. I am not responsible for the privacy policies of other websites or sources.

By browsing my website, or contacting me, you are accepting my privacy policy.

Therapy in Somerset respects the privacy of all users of this website. Care is taken to treat all information you share as confidential.

I will only ever ask for necessary personal data to perform the appropriate service for you.

All personal data is stored in on a password protected computer and mobile device, only accessed by me.

I will only use your data for the purpose for which it is intended.

If you complete my contact form or contact me via email, I will store your information if we remain in contact, otherwise it will be deleted. If you remain in contact with me, data held will be your name and email address and any personal information you choose to write in your email.

If we are working together there will be an explicit privacy and security arrangement between us in our working agreement, discussed at our initial session. I will also ask you to sign a Data Privacy & Consent notice to comply with current data privacy law.

I do not collect information for purposes other than those stated in this privacy policy unless I have asked you for permission beforehand.

Your personal information will never be shared with third parties, unless you give your permission, and/or it is in your best interests to do so.

This privacy statement is tailored to the use of this website. Any change to this site may lead to changes in the privacy statement. It is advisable to consult this privacy statement on a regular basis.

It is important to me to protect your privacy and the data that you have entrusted to Therapy in Somerset.
